## PLEASE CONSIDER BECOMING A MEMBER !

Please consider becoming a member of the Orkney Archaeology Society – membership subscriptions enable us to continue our work, providing information and education on archaeology and archaeological activity in Orkney.

Contributions through membership is also very important factor in allowing us to give the grants to some of the exciting archaeological projects on Orkney many of which you can read about in our Annual Review.

All you need to do is complete this form and either give it to a member of the Society or post it to the address on the form. If you felt able to set up an annual subscription by Standing Order, using the form overleaf, that would be even better. Being able to plan the grants we give knowing that there will be a regular income from someone such as yourself is an enormous help.

Alternatively you can join via PayPal by going to our website at <https://orkneyarchaeologysociety.org.uk/>. This will be setup so that it automatically renews each year but of course you can cancel that at any time very easily.

Membership benefits include the Annual Review which is posted to all members, as well as other information and occasional newsletters sent by email (please make sure we have an email address for you if at all possible – rest assured it will never be given to a third party). In due course we are planning to offer discounts in our on-line shop for members, and advance access to any videos of talks that are available.
