## MEMBERSHIP FORM

We do hope you will consider joining, or – if you are already a member - renewing your membership, to the Orkney Archaeology Society in order to enable us to continue our work, providing information and education on archaeology and archaeological activity in Orkney.

Your contribution through membership is also very important factor in allowing us to give the grants to some of the exciting archaeological projects on Orkney. If you go to our website you can see, for example, the exciting work that has been done discovering and recording the Graffiti in St Magnus Cathedral, a project we were heavily involved in. We give other grants during the year for different projects and people receiving the grants are asked to contribute articles to our annual Review, published in the spring each year and sent free of charge to all current members.

You can join or renew using this form. If you felt able to set up a Standing Order, using the form overleaf, that would be even better. Being able to plan these grants knowing that there will be a regular income from someone such as yourself is an enormous help.

Alternatively you can join or re-join using a Credit Card by going to our website at <https://orkneyarchaeologysociety.org.uk/>. This will be setup so that it automatically renews each year but of course you can cancel that at any time very easily.

In addition to our Annual review, we also send out occasional emails with information about the talks we arrange or other items of interest – truly it is only occasional, and we never (ever ever) give or sell the data held, so please make sure we have an email address for you if at all possible. Please print it carefully so we can read and enter it into our records !
